

GTCA 2018 Northern California

Labor Day Conference

September 3, 2017

Burlingame, CA

*"The word of the Lord grew mightily and prevailed."
Acts 19:20*

What is GTCA?

GTCA is a determined endeavor by the work, the churches, and the saints in the recovery to build up the Body of Christ in North America by proclaiming the high gospel, teaching the deeper truths, testifying of the life experiences,

gaining of new ones and raising up of new churches throughout the continent. In the last 20 years through the saints' endeavor, over 25 new churches have been planted and over 74 churches have been strengthened.

*"The church throughout the whole of Judea and Galilee and Samaria had peace, being built up; and going on in the fear of the Lord and in the comfort of the Holy Spirit, it was multiplied."
Acts 9:31*

Focus on Northern California

Through much prayer and fellowship among the coworkers and leading brothers in Northern California, there is a strong burden that now is the time to gospelize, truthize, and churchize this vast area, including the following six subregions—North Bay, East Bay, South Bay, Central Coast, Central Valley North, Central Valley South.

The goal of this move is the increase and spread of Christ and His testimony throughout Northern California. This move will be carried out by clusters of local churches and groups of saints, who give themselves to pray and labor collectively on particular localities including their own. We believe city by city the Lord's testimony will grow and prevail!

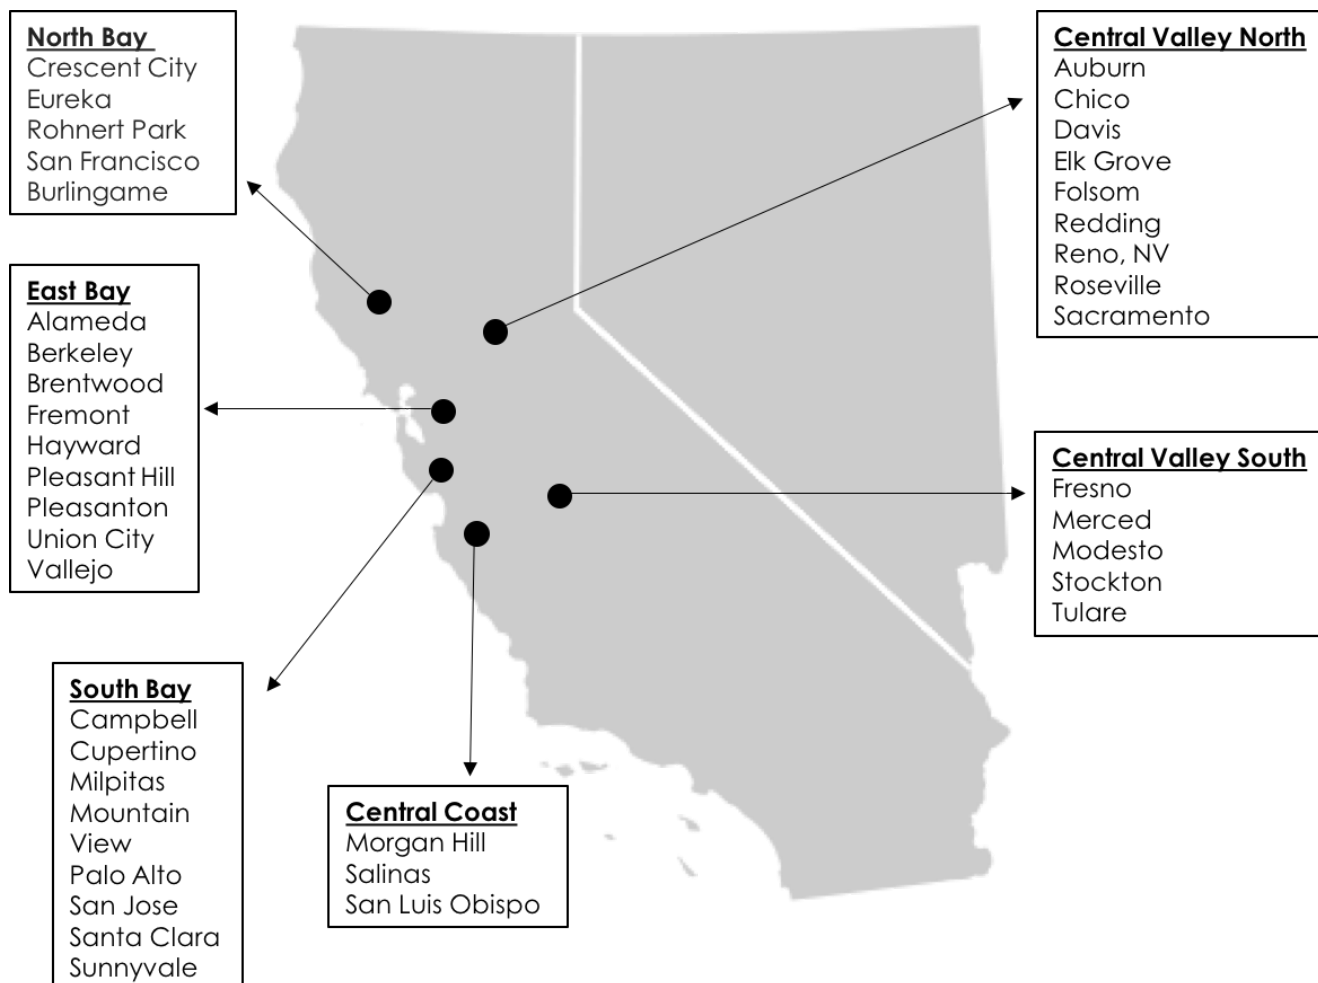

How to Participate

•••

PRAY In order for the Lord to carry out an unprecedented move in Northern California, much and thorough prayer is needed. Pray for the Lord's move, specifically for people's hunger and thirst to increase, the advance of the Lord's testimony, and the raising up of churches.

GIVE Your giving will help provide for the free Bibles, ministry books, and other materials that will be distributed during the sowing trips. A target of \$50,000 has been set to cover expenditures related to this event.

GO The need for the saints to participate by going is great. The burden is that all of the saints will participate by giving their time, disrupting their normal routine and schedule, to be present and available for the two-week sowing trips in early 2018 and the ongoing follow-up and shepherding.

Sowing Trips 2018

To support the burden to increase and spread in this region, all the saints are invited to participate in two-week sowing trips at the beginning of 2018. The labor will be a concentrated effort according to the six subregions and churches listed in the map above. In coordination with saints who live in these subregions, trainees from the Full-Time Training in Anaheim will join to sow and labor from **January 26 through February 12**. Throughout the rest of the year after this special GTCA event in Northern California, we hope that groups of saints will continue to do the work of follow-up to shepherd the new ones who were contacted during the trips.

To receive further information regarding the sowing trips and how you can participate, please visit NorCalchurches.org.
